Special Abilities

AC Bonus +7
When unarmored and unencumbered, the monk adds his Wisdom bonus (if any) to his AC and his CMD. In addition, a monk gains a +1 bonus to AC and CMD at 4th level. This bonus increases by 1 for every four monk levels

Evasion (Ex)
If exposed to any effect that normally allows her to attempt a Reflex saving throw for half damage, you takes no damage with a successful saving throw.

Fast Movement (+20')
At 3rd level, a monk gains an enhancement bonus to his land speed. A monk in armor or carrying a medium or heavy load loses this extra speed. By spending 1 point from his ki pool, he can increase his speed by 20 feet for 1

Flurry of Blows +4/+4/-1 (Ex)
Starting at 1st level, a monk can make a flurry of blows as a full-attack action. When doing so he may make one additional attack using any combination of unarmed strikes or attacks with a special monk weapon (kama, nunchaku,

High Jump (+6) (Ex)
At 5th level, a monk adds his level to all Acrobatics checks made to jump, both for vertical jumps and horizontal jumps. In addition, he always counts as having a running start when making jump checks using Acrobatics. By

Ki Defense (Su)
A monk can spend 1 point from his ki pool to give himself a +4 dodge bonus to AC for 1 round.

Ki Pool (Su)
At 4th level, a monk gains a pool of ki points, supernatural energy he can use to accomplish amazing feats. The number of points in a monk's ki pool is equal to 1/2 his monk level + his Wisdom modifier.

Ki Strike, Magic (Su)
At 4th level, ki strike allows a monk's unarmed attacks to be treated as magic weapons for the purpose of overcoming damage reduction.

Maneuver Training (Ex)
For the purpose of calculating CMB, you add your full monk levels, rather than 3/4 of your monk levels.

Purity of Body (Ex)
At 5th level, a monk gains immunity to all diseases, including supernatural and magical diseases.

Slow Fall 30' (Ex)
At 4th level or higher, a monk within arm's reach of a wall can use it to slow his descent. When first gaining this ability, he takes damage as if the fall were 20 feet shorter than it actually is. The monk's ability to slow his fall (that is, to

Still Mind (Ex)
A monk of 3rd level or higher gains a +2 bonus on saving throws against enchantment spells and effects.

Special Abilities

Stunning Fist (Stun, Fatigue) (Ex)

At 1st level, the monk gains Stunning Fist as a bonus feat, even if he does not meet the prerequisites. At 4th level, and every 4 levels thereafter, the monk gains the ability to apply a new condition to the target of his Stunning Fist. This

Unarmed Strike (1d8)

At 1st level, a monk gains Improved Unarmed Strike as a bonus feat. A monk's attacks may be with fist, elbows, knees, and feet. This means that a monk may make unarmed strikes with his hands full. There is no such thing as an off-hand
