Potion of Vanish

Background

Aspects: Reckless Mounted Archer-Knight Always An Outsider Driven To Prove Myself

Yoshihiro "Hiro" Kaijitsu was born five years after his sister Ameiko. He continually tried to prove himself to his father Lonjiku but no matter how much he tried, he could never live up to the man's rigid expectations. Right after Ameiko's falling out with her father, Lonjiku shipped Yoshihiro off to be a squire in an the Order of the Dragon chapterhouse in Cheliax. This training was rocky - as a foreigner he never quite fit in, and though he practiced hard with horse, bow, sword, and polearm, his technique, informed by his father's tutelage, is rather odd compared to the other cavaliers of Cheliax.

He earned his spurs and returned to Sandpoint, only to find his mother and father dead and Ameiko his only relative in the town. With her leaving, he set out with the caravan mainly because he had nowhere else to go, and at heart he desires a sense of belonging.

Despite his Order of the Dragon training, he is too immature to have fully bought into the order's ideology. He is still fixated on personal glory and proving himself. His sister taught him about Shelyn when he was young, and his father made him memorize books on bushido, but he still has a lot to learn about being truly worthy and honorable.
