Background

Tsuguri has spent most of his life in the west, living in a Chiba family compound in Kenabres. The Chibas originally came to the city to be traders but many have chose careers as crusaders, including Tsuguri's parents, Umi and Junko.

Tsuguri is a strong believer in heritage and the inherit superiority of tien culture. As a result he views many of the non-tien locals as barbarians, though brave and possessing many admirable traits.

Tsuguri hates cheese and milk heavy foods; they make him ill and they smell awful.

Arness Holiday - used to be "How to kill Demons Day", but today it also includes festival activities for the whole family.
